1940s HIGH BIRTH RATE DUE TO NOTHING ON TV CLAIMS 86 YEAR OLD GREAT GRANDMOTHER OF 6

Non-scientific debate that a lack of televisual entertainment raises the birth rate has been backed by an eighty-six year old great grandmother from north London.

People complaining about the dire state of British TV don't know they're born. There was nothing on in my day, absolutely nothing. What with that, and no central heating well...

NORTH LONDON WOMAN WHO WORKED IN SAME COLGATE TOOTHPASTE FACTORY FOR 40 YEARS SAYS JOB WAS BORING

HE'S STILL HOT TO TROT EVEN WITH HALF A RIGHT FOOT

78 YEAR OLD NORTH LONDON MAN INJURED IN MOTORCYCLE ACCIDENT STILL LOOKING FOR LOVE

A colorful illustration of a man with a prosthetic leg in a social setting. He is wearing a brown vest over a green and white striped shirt and blue trousers. A speech bubble from him says, "Dated a lot of women, but I'm still looking for the right one and a bad leg won't stop me. I still have me moments." In the background, there are several women, a man with a cane, a man on a motorcycle, and a white van with a license plate "45 MQT". A sign for "THE MOTHER RED" is visible on a building. The scene is set in a room with modern chairs and a brown carpet.

Dated a lot of women, but I'm still looking for the right one and a bad leg won't stop me. I still have me moments.

82 YEAR OLD WOMAN REFUSES TO WORK TILL SHE DROPS SHOCKER

'This is the type of workshy attitude that needs stamping out' Government spokesman

I used to work for Lyons as a waitress, and then for twenty years at Archies Caff, and finally the Junction. But the two bus journeys got a bit too much, and so I packed it in when I was eighty as I couldn't be bothered.

REVEALED 75 YEAR OLD ARCHWAY RESIDENT'S GAY DAUGHTER IS A POLICE OFFICER

I've got two daughters. One's a housewife with two kids, and the other's a lesbian.

ELDERLY WOMAN DID NOT SAVE FOR A RAINY DAY

"You can't take it with you" she claims

I spent it on Sangria, song and my man.
Don't have a penny to my name, and I
don't regret a minute of it.
